

Martin & Marie

We Joined Kleeneze for an Extra £50 per week around our jobs and 2 young children. But we have now given up are full time jobs.

We are now doing Kleeneze part time and as you can see from are our cheque below is for the Last 4 weeks spare-time, as you can see our income now is over £100+ per week.

The great thing about Kleeneze is that you determine your own income, also all of the help and support you receive is fantastic.

So why not give it go!

Everything to gain nothing to lose.
