

# ALAN BROMYARD

Debt, is the main reason why I joined Kleeneze. Also the fact that I'm not a big T.V. fan so had lots of free time and I just sat around thinking about my debt. It's now been over a year now and I've learnt a lot in that time about Kleeneze and about how to run a successful business. My goal at the moment is to get a good customer base, as I'm working Kleeneze around my full time job. Which brings me to my medium term goal, ditch the job for a career which I will enjoy. And in the long term, same as everyone else - get rich. I know I'll get there one day, as I know the only thing stopping me is me! So *me's* going to get out the way from now on!!!!
