

Alan Leech

Ex Motor Finance Manager

Hi all, Alan Leech Here.

I have been a very successful finance Manager in the Motor trade for 15 years but because of the recession I had to look elsewhere.

Being divorced with children I have spent a year looking around for the right opportunity as not many people are employing 52 year olds for anything. I took a long time to decide as I did not believe how easy this Business was to set up.

I am now 100% behind it and am very excited for the future. In my first 2 weeks I achieved 10% bonus and in my first full 4 week period I had over £2000 retail, earning £600 and all on 25 Hours a week. It's getting better, I have just got my first team member !!

Just smile as soon as you get out of the car. I m loving it! if you are not sure just try it and good luck.
