

David & Angela Pope (Preston)

Ex-LGV Driver & Ex-Human Resources Administrator

In 2008 within 3 months David & I were both made redundant just as the recession kicked in. With the job market collapsing we looked at the Kleeneze opportunity but had some questions, so we went to a Kleeneze Open meeting & spoke to other distributors from around the North West. With nothing to lose and loads of support from our sponsors - Julie & Neil, we decided to give it a go and became our own boss. We're in the same semi-rural area as 3 other distributors, including Julie & Neil, but in the first four weeks we earned over £300 just for putting catalogues through letterboxes!

It just goes to show that you can earn money during a recession if you work at it.
