

David & Angela Pope - Preston

Ex-LGV Driver & Ex-HR Administrator

David & I were both made redundant from long-serving jobs within 3 months of each other just when the recession was confirmed & the job market collapsed. The avenues open to us were limited to say the least and the redundancy cheques were starting dwindling but then a chance remark from our local Kleeneze distributor, Neil Tomkinson, gave us a chink of light at the end of a tunnel!

To say we were sceptical is maybe an understatement but we went to a meeting & met lots of other distributors and thought 'they can't all be wrong!'. So with nothing to lose and loads of support from our uplines, Julie & Neil, we decided to give it a go. It wasn't the career choice we initially had in mind but the benefits far outweigh any cynicism – no boss, flexibility, fresh air & exercise and a great way of getting out & meeting new friends (Kleeneze should be prescribed on the NHS as a tonic!!)

We are in the same area as at least 3 other distributors, including our uplines, and still got loads of sales. The cheque below is our payment for the first four weeks.
