## Full-time mum

*After having my daughter, Jessica, I didn't want to go back to work and leave her in a nursery full-time. While trying to decide what to do to earn money, a Kleeneze catalogue landed on my door mat. It said "Are you interested?" I decided I had nothing to lose by saying yes.*

*After talking it all through with my uplines, Barbara and Derek, I soon signed up. By working part-time, mainly going out with Jessica while she naps, I was well on my way.*

*I earned £232.52, reached my 10% bonus target and sponsored two new people all in my first month!*

*I greatly appreciate the freedom of working for myself and around caring for my baby. I have already started to build a good customer base and enjoy, with Kleeneze's support, giving the best service I can. The people I have met, through Kleeneze, I now consider as friends and we are looking forward to a brighter future for my family.*
