I joined Kleeneze in July 2005. I had recently become a single Mum with a teenage Son. Although employed full time from 8.30am to 5.00pm in a fairly well paid job I was finding it hard to cope financially. I was also concerned that if I lost my full time employment then there would be no money coming into the household.

I had 2 options.

Cut back or get out there and do something.

By coincidence I had kept a leaflet regarding a home based opportunity delivering and collecting catalogues that had been posted through my door some time ago.

I phoned up and here I am.
