## MY STORY~

I started with Kleeneze after spending 10 years working as an Operations Manager and having been made redundant in February 2009. I thought I'd give it a go but wasn't sure it would work in Westhoughton.

In my first four weeks I have earned just under £460 pounds and started to establish myself a customer round. I have started to build a team and by week five I have already achieved over £700 of retail sales! **So much for a recession.**

My best advice is give it a go, you'll receive full training and support and be in charge of your own destiny!
