

# Caroline & Tony Doolan

Tony worked as an Undertaker and I spend most of my time looking after our fast growing 5 children.

We joined Kleeneze to give me the independence and the flexibility around our children. We have made many new friends, and the help and support has been fantastic.

Tony has now left his job and we both work kleeneze together. Also our 18 year old son Peter has now joined the business which is fantastic to see him progress, so we can truly say we have a family business.
