

Carolyn Jasper

FULL TIME DENTAL NURSE

Started doing Kleeneze in December 2009, I wanted a job to do it my spare time for extra cash to save up to get a house.

I've worked in pubs before and didn't want to do it again. I looked into the Kleeneze opportunity and thought what a fantastic idea. I gave it ago and love it, my aim is to leave my full time job as a dental nurse and do this full time, anybody can do it if you believe in yourself.

Only you can make that choice
