I joined Kleeneze originally to earn £50 - £60 per week extra income. Chris was a full time tv engineer and I was training for a new career as a driving instructor.

We very soon realised that Kleeneze would be the answer to our financial situation. I ditched the instructor training and Chris gave up his job to become full time with me – retailing and showing others how to do the same – we love what we do and can't think of any other opportunity that could give us the flexibility and peace of mind that we now have.
