

# Collete & Davey

I work my Kleeneze business alongside a part-time job with the help of my son Davey. In our first month, we exceeded our income target of £50 per week just by following a simple plan. We are working hard to develop our customer base further to give us an income of £400 - £500 per month. Below is our income for our first month in the business.

The Certificate of Income shown below is the official Kleeneze payment for the 4 - week period number 200809
