

DANNY MOORE

Delivery Driver
(Ballymena)

At the age of 19 years old I found myself redundant, due to the company I worked for was hit by the recession.

So I took a job as a delivery driver which is mainly working in the evening, which not only gave me some spare-time but also left me short of income.

I joined Kleeneze after submitting my details on an internet site, within 24 hrs I was contacted by Ram & Sylv who answered all my questions and assured me I could earn the £50 per week I was looking for.

Below is my income for my first 4 weeks spare-time working it on my own.

My tip is to follow the advice you're given
