

Dave O'Halloran & Bernie Dusic(WIGAN)

We started Kleeneze to supplement Dave's wage as a Taxi Driver and Bernie's doing Avon. Our aim to better the lives of our families and ourselves. At first we were running two other businesses alongside Kleeneze, whilst Bernie also attended college part-time.

Kleeneze has allowed us to finish Avon due to our earnings and the Pegasus team support and in the future Dave hopes to replace his earnings from the Taxi Business. So currently we run our Kleeneze spare-time.

You can see from the cheques below we are now earning good money & we intend to keep building. We now have some regular customers & a team member with the prospect of more joining.

If you want extra money and lose some weight I recommend giving Kleeneze a go - we are here for the long term because we want to replace Dave's wage, do less hours, earned a free holiday and get married. We've also made some good friends in the process!

What do you want? - Why not start to achieve it now!
