

Dave Mason

I was laid off last September and decided to retire, but due to boredom i decided to join Kleeneze. My partner Debbie had been doing Kleeneze for a while, so thought i would give it a go, and with the present economic situation what did i have to lose, but take a look at my cheque , this is after my first four week period, i made the 10% bonus level. So now i like getting out there and doing something instead of being bored.

Good luck to all newcomers ,
Dave
