

DONNA & ALAN ELLIS

The initial reasons we joined Kleeneze were for an extra income, to do something different and to get some exercise.

We have only been with Kleeneze for a short time, but in this time our earning potential has developed and we have already started to gain regular customers.

We still have a long way to go, but we are determined to be successful and eventually have a team of our own. We look forward to our Kleeneze journey.
