

# Dumalka & Malintha

I'm a Sri Lankan who comes to UK every six months with my husband. I thought of earning some extra money by doing a suitable job since I spend lot of time at home. We found Kleeneze as a perfect choice, with a big hand from our sponsors & bit of hard work we were able to achieve this bonus for the first period. We were so excited to hear this news coz its my first job. This is good experience & a good laugh at times, now with the support of my husband we enjoy every moment of it, hoping to give my best & to do well in the future too with Kleeneze.....
