I started Kleeneze after filling in a front cover, when a Kleeneze catalogue came through my door. I thought as I have a Grandson at college he could earn some extra income, but because he was only seventeen he could not do it. So I signed up instead, and Steven could have the income I earn to help him while he was in college. This was our first cheque after only being in the business for 3 weeks. We also qualified for a free box of catalogues from Kleeneze, and reached 10%.
