

Kerry Glover

Nursery Nurse

I Joined Kleeneze after my sister Emma invited me to come along to a local meeting to show me what she had got involved in. After seeing other people from all backgrounds making money in their spare-time I thought why not me.

The great thing about this business is its flexibility which suits me as I work my kleeneze business around my full time job and 2½ year old daughter.

Date: 17/04/2008
