

Vanessa & Neil Scollen

Housewife & Ex Mechanic

I was sceptical as most people are at the beginning but with my husband losing his job we had to do something. With the help & support of our sponsors, we have just followed the plan and below is our income for the last 28 days part-time.

Now we want to get involved on the business side and take this opportunity to the next level.

The Certificate of Income shown below is the official Kleeneze payment for the 4 - week period number 201003
