Self Employed Business Owner / Self Employed Plumber

Kleeneze Testimonial – Pam & Shaun

Shaun and I joined Kleeneze in June 2009. We are both self employed. Shaun is a plumber but with the credit crunch work has been very slow recently so we are looking to earn a little more towards the household bills. In our first 3 weeks we earned £240.91 just delivering catalogues and then collecting catalogues and processing orders. Our system is that Shaun does the deliveries and I do all the paperwork and order side of things

We hope to follow the plan and build the retail business over the coming months and start a team in the near future.
