

Steph Cotton & Brian Lonsdale

We joined Kleeneze in late 2008 just before having a baby. I work in a restaurant and Brian is an Apprentice Welder.

We responded to a business card that was handed to us in Middlesbrough

We started in earnest with Kleeneze about 8 weeks after the birth of our baby son, Hayden. Our aim is to earn £1000 every 4 weeks.

We have sat down with our sponsor, Peter Neesham and made a plan for us to achieve that.

Kleeneze is great for us because we can work our business around our baby. It is flexible around your commitments in life and the support and coaching you receive is second to none.
