*1st 2 weeks
In Kleeneze*

We joined Kleeneze a couple of weeks ago to supplement our income. Little did we know that we would get as far as this in such little time. Janet works full time and I am currently still looking, but even with our commitments we are still able to build our Kleeneze Business. We totally believe that if we can do it then anyone can do it, its just a matter of making the decision.
