

Steve & Katie

Since joining Kleeneze we have been working around Steve's full time job in IT and joined to make a difference to monthly incomings. We have 4 daughters and every little helps and the first check certainly did.

We've now been distributing for 6 weeks and our first period proved to be a great start and we are now looking forward to building a reliable customer base and know that with our grit determination we hope to reach GOLD distributor next year.
