SELF EMPLOYED ELECTRICIAN

I moved to Warton nr Blackpool 3 years ago, being a Self employed Electrician I found work almost at once. Then last year the recession took hold of the building trade & finding my income falling dramatically something had to be done.

I responded to a "Help Wanted Add" on the front of a Kleeneze catalogue which was posted through my door.

Below is my Kleeneze income for the last 28 days spare-time, I look forward to developing my business and increasing my income.

To all newcomers to Kleeneze remember

*"From small acorns, mighty oaks do grow."*
