

Wayne & Chrissie

Retired Licensee

Chrissie and I joined Kleeneze last month to supplement our pensions to the tune of £50/week. With the help of our upline we achieved our goal this month and now we are aiming to better this month by month. All it took was a little of our spare time and dedication and I am so impressed with Chrissie's part-time effort and achievement in proving that you can earn money delivering catalogues that I am now concentrating on building our business by sponsoring others to do the same.
